

StudioQuake Studio Monitor Series

Product Release

Serious. Elegant. Understated.

Building on the legacy of the iQuake series the new StudioQuake line continues the quest to be the best powered monitor speaker on the market today.

With a focus honed on audio quality the StudioQuake features wideband ribbon tweeters, stiff aramid glass fiber woofers - powered by a high-end bi-amplification architecture giving each drive unit a dedicated amplifier.

Adhering to a stringent high performance, no-nonsense philosophy the StudioQuakes feature clean lines, smooth rounded corners and seamless magnetically attachable grilles. The dark graphite finish is elegant without being flashy. No gimmicky displays, blinking lights or novelty features. Just serious performance that leaves you free to produce or enjoy music.

Features:

- Two-way powered/active monitor
- 2" ultra fast ribbon tweeter
- Aramid glass fiber cone
- Balanced (XLR & TRS) and unbalanced (RCA) inputs
- High frequency & systems volume controls
- Rear ported Design
- Magnetically attached grilles
- Sleek matte black finish
